July 2013

Dear Parents, and hello Campers:

Once again it is time to welcome both parents and campers to our 2013 Summer Recreation Camp. This year's camp will be coordinated by Rebekah Inman, Counselors Mark Torres, last year's counselor. Jasmine Miller, Anthony Christie, Rubervy Terrero, and Assistant Coordinator, Devon Sivels.

This is an awesome team working together to provide a fun filled dynamic Summer Camp. Our counselors are motivated, knowledgeable and enjoy what they do. Thank you for entrusting your children to our care. Sharing this responsibility will be the following people:

City of New Castle, Marian Delaney, Finance/HR Manager, George O'Neal of the Public Works Department, Erv. Thatcher Trustees of the Commons, Delaware Food Bank, New Castle Presbyterian Church, Delaware Attorney General's Office, Good Will Fire Department, and the New Castle City Police Department. I thank all of you for your help.

We are all looking forward to energetic campers. Rebekah and counselors along with myself will be ready to greet both parents and campers on July 8, 2013. Again, thank you and welcome.

Sincerely,

Teel Petty

July 8, 2013

Dear Parents,

Thank you for giving your child or children the opportunity to participate in the 2013 City of New Castle Summer Recreation Program. The city officials and all of our staff members have been working hard to ensure that this year's camp will provide many unique and exciting experiences for our campers. We look forward to this summer being the best yet for your children.

As the coordinator, I work with Mrs. Teel Petty, Liaison to Public Safety & Recreation, along with Marian C. Delaney, Finance/HR Manager. If you would like to share your comments about the program, please e-mail mdelaney113@newcastlecity.org or call (302) 322-9811.

Please find all the necessary information and permission slips for camp in this booklet. Enclosed in this registration booklet you will find a packet that will explain the setup, rules and trips for the camp, as well as registration for the camp. Additionally, we have enclosed various permission slips with specific due dates for different trips. Please make sure that you have submitted the registration confirmation, and emergency contact forms by **July 9, 2013**. All other permission slips can be turned in on or before their due dates. Also, please be advised that some trips require additional fees; make sure to turn in these fees along with the permission slip when it is due. **Due to scheduling, permission slips for any trip or event CANNOT be taken after the due date. For the dates marked in the calendar as "TRIP" the Battery Park will be closed so please do NOT send your child or children to the park if they are not registered to go on those trips**.

If you have multiple children attending camp, please make sure to complete separate information forms and permission slips for each additional child. Be sure to read over the information carefully. Attached in this packet is a "First Day Checklist" and a calendar with all your child/children's activities and due dates for your convenience. Please keep this packet throughout the duration of the summer camp, as you will probably want to refer back to it often for information about the various trips we are taking and due dates for permission slips. It will also be made available to you through the city website.

I am so excited to be working with the City of New Castle this summer and I am looking forward to a great summer and many exciting experiences. Please do not hesitate to call or e-mail me if you have any questions regarding the program. I hope to see you all on July 8th!

Sincerely,

Rebekah C. Inman

Registration fee: $5* for each child participating.
This price includes a camp T-shirt which must be worn on trips where indicated.
*This price does not include any individual trip costs.

Registration fees must be paid in full for trips, no exceptions. **The number of persons per bus is limited to 48 campers (NO EXCEPTIONS). Therefore, reservations will be taken on a first-come, first-served basis.**

INSTRUCTIONS FOR PAYING FEES:

All fees and completed permission slips are collected at the City Administration Building located at 220 Delaware St., from 8am-4pm on MONDAY'S, WEDNESDAY'S AND FRIDAY'S.

Fees can be either cash or check. DELAWARE SWIM CLUB FEES MUST BE PAID IN CASH.

General Information:

This year the program will be headquartered at Battery Park with field trips departing from and returning to this location.
The program will run for six weeks, from July 8th-August 16th, 8 a.m. to noon on weekdays, with some trips returning later. Please see the trip descriptions for more specific information.

Every morning, drop-off and pick-up will occur on West 3rd Street at the parking lot on Battery Park. In case of inclement weather, please drop your children off at the New Castle Presbyterian Church, located at 25 East Second Street.

We will have rainy day activities for your children to participate in. Field Trips are rain or shine, with the exception of the University of Delaware Outdoor Pool. If your child is scheduled to attend a field trip on a day it rains, please bring your child to the park and be prepared to pick up your child when the bus returns to the park.

Your child will not be permitted to leave the park at any time during camp hours for safety reasons. If a child does need to leave prior to closing time, please send a notice in writing prior to that date. Please make sure to read the attached camp rules with your child.

For added safety, children will be required to sign-in upon arrival to camp each day and must be signed out by a parent or someone a parent has formally authorized. A parent must notify the

Recreation Coordinator if anyone other than a parent is to pick up a child. This is for your child's safety and your own peace of mind. A child may only sign him or herself out if a permission slip has been filled out and returned stating that the child may walk or ride a bike home alone.

Furthermore, the coordinator will be unavailable July 24, 25 and 26. In the event that any parent needs to contact the coordinator for questions/concerns/etc. please call the Assistant Coordinator, Devon Sivels, at (302) 393-6442 or e-mail him at sivelsdevon@yahoo.com during those days.

Camp Set-Up

This year's campers will be able to enjoy a mixture of trips within walking distance and longer trips that require a bus ride. Also, we will be having some days at the park, which will include activities planned and run by the counselors under the direction of the Coordinator. These activities include arts & crafts, sports, games and special events. Please make sure your children come to camp dressed in attire suitable for running around and having a great time. Sneakers and loose clothing for running around is a great asset for these activities. Please note the dates where we will be doing water activities, as your kids will need to wear their bathing suit underneath their clothing. Sunscreen is required before the kids arrive at camp.

Trips

There will be many trips throughout the six weeks of camp. There will be local tours throughout the program. These local trips include Amstel and Dutch House, the Court House, and the Read House. These local trips are considered walking tours, and are marked with shoe clip art on the calendar. If your child chooses not to participate in the local trips, **Battery Park will be open** with counselors staying to run activities for your child or children for the duration of the regular camp day. For the NONLOCAL trips (indicated as TRIPS in the calendar with a bus clipart) there will be no counselors at Battery Park. On these days the bus for the trip will leave from the normal Battery Park location and parents are asked NOT to send their children to the park if they are NOT registered for the trip.

Parents are welcome on many of the trips, so please feel free to indicate on the permission slip if interested. Parents pay their own way for any field trips that require it. Due to the fact that these trips require advanced notification, it is impossible to add attendees after the payment due date. **Please review trip fee schedule, rules and calendar on pages 6-15 carefully.**

Fees for all trips can be paid on or before the due date in cash or check, (exact amounts when paying cash) with the exception of all swimming trips to the Delaware Swim and Fitness Club, which are paid on or before the due date in **cash** along with the permission slip.

Once again, field trips are rain or shine, with the exception of the University of Delaware Outdoor Pool, as well as any other field trips where campers would be outside. If your child is scheduled to attend a field trip on a day it rains, please bring your child to the park and be prepared to pick up your child at the "arrival at Battery Park" time designated in the trip description.

Camp Rules

Please read over the following rules and regulations with your child before he or she begins the summer program.

1. **Campers must follow all rules and regulations given by counselors and the coordinator.**

2. **Campers must behave appropriately. Parents will be notified if there are any problems. If a problem persists, the child will lose recreation privileges.**

3. **When riding a bus to and from a trip, campers must obey all bus safety rules. If a child misbehaves on a bus ride, his or her privileges to attend trips in the future may be revoked.**

4. **Campers must stay with their assigned counselors on trips at ALL times, no exceptions.**

5. **When swimming, campers must follow all rules set out by the facility.**

6. **Verbal abuse, physical contact and inappropriate language will not be tolerated and may lead to dismissal from the program.**

7. **Campers are not permitted to leave the park at any time without specific permission from their parents. Campers must follow boundaries of the park set by counselors and coordinator. If the child leaves camp we are NOT responsible for him or her. Campers and staff are not permitted to go to the local shops/restaurants during camp.**

8. **We do not permit campers to bring personal music or game devices. We spend a great deal of time and energy planning fun activities and would like the campers to participate.**

9. **When at the Presbyterian Church on rainy days, campers must follow facility's rules.**

We want to make this year's summer camp as fun and easy as possible. In order to minimize confusion, please read below for specific direction in regards to the collection of fees for trips. Fees can be either cash or check (except for the Delaware Swim Club). **All checks must be made payable to the City of New Castle. If you are paying cash, please make sure you have the exact amount. You can pay for multiple trips at a time.** It is vital to have all permission slips for the desired trips filled out when handing in the fees. If you have more than one child participating, permission slips should be filled out for each individual child.

Please note that the Delaware Swim and Fitness trips fees **must** be paid in **cash.**
Fees can be **paid up** to the due date. **We will NOT accept any permission slips or fees after the stated due date.** Please pay careful attention to the calendar and permission slips for due dates.
