

Ordinance No. 495

An Ordinance to modify development standards for the height of certain buildings under the Downtown Gateway (DG) zoning classification and to add additional definitions to Chapter 230-1 of the City's Zoning Code.

WHEREAS, the Council of the City of New Castle ("Council") has adopted Ordinance Nos. 477, 478 and 479 thereby establishing the Downtown gateway (DG) Zoning District and associated parking and signage requirements; and

WHEREAS, based upon the recommendation of the City Planning Commission, Council deems it necessary and appropriate to: (1) amend the development standards set forth in §230-21.1 (F) of the Zoning Code of the City of New Castle (the "Code") as they relate to the maximum height of new construction non-residential, mixed use and multi-family buildings; and (2) add certain definitions to §230-1 of Chapter 230 of the Code.

NOW, THEREFORE, be it ordained by the Council of the City of New Castle, as follows:

SECTION 1: Section 230-21.1 (F) of the Zoning Code of the City of New Castle is hereby amended to read, in pertinent part, as follows:

F. Development Standards

(1) New Construction for non-residential, mixed and multi-family uses shall meet the following requirements:

* * *

(g) Building Height. Buildings shall be a maximum of 45 feet. Maximum height does not include the additional height of screening of rooftop mechanical systems.

* * *

SECTION 2. Section 230-1 of the Zoning Code of the City of New Castle is hereby amended to add the following definitions:

GRADE PLANE: A reference plane representing the average of finished ground level adjoining the building at exterior walls. Where the finished ground level slopes away from the exterior walls, the reference plane shall be established by the lowest points within the areas between the building and the lot line or, where the lot line is more than 6 feet from the building, between the building and a point 6 feet from the building.

HEIGHT: The vertical distance from grade plan to the average height of the highest roof surface. Spires, cupolas, chimneys, antennas, water tanks, belfries, flag staffs, hose towers or other structures and mechanical apparatus placed above roof level, not intended for human occupancy and necessary for the operation of the permitted use, shall not be included in the measurement of vertical dimensions.

SECTION 3. If any section, subsection, sentence, clause or phrase of this Ordinance is for any reason held to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portions of this Ordinance. Council hereby declares that it would have passed this Ordinance and each section, subsection, sentence, clause or phrase irrespective of the fact that any one or more thereof is declared unconstitutional or invalid.

SECTION 4. Ordinances or parts of Ordinances in conflict herewith are hereby repealed; provided that any such repeal shall not abate a right of action already accrued under any repealed Ordinance.

SECTION 5. This Ordinance shall become effective immediately upon passage.
