What Can I Recycle?

The September Crier included an article regarding recycling, and the importance of keeping trash items out of your recycle container. Due to mechanical problems not all residents received that newsletter. So, we are highlighting this important information again, and also letting you know that past issues of the newsletter are available on the City website, newcastlecity.delaware.gov under the Departments tab.

Please be aware, City workers will not empty any recycle bins that have non-recyclable materials or garbage in them.
