A Special Thank you

The Annual Battery Park beach clean-up held this year on Earth Day, April 22nd was once again a huge success. with 80+ volunteers including over a dozen members of the New Castle Sailing Club, 16 UD students representing Alpha Phi Omega, 10 students from Awakened Heart Spiritual Center, 12 students from Delaware Futures and members of the New Castle Hundred Lions Club.

Of course we could not have done it without the continued support of Irene Biggs with the Friends of Battery Park and the New Castle Public Works Dept. who loaned the registration tables and collected all the trash bags the volunteers filled.
