

Resolution No. 2016-47

A Resolution to allow Resident Handicapped Parking at 212 Baldt Avenue

WHEREAS, a resident at 212 Baldt Street who is disabled under the definition provided in section 172-7 of the City Code has requested that the City install a handicapped parking space in front of her house; and

WHEREAS, a handicapped parking space will allow the disabled resident to enter her house through the front door which is closer, and has fewer steps than the side entrance adjacent to her driveway and will facilitate her ability to access her home more easily; and

WHEREAS, the Section 172-9 of the City Code provides that a handicapped parking space on a public street may not be designated as reserved for a disabled resident's exclusive use if said resident has off street parking available; and

WHEREAS, City Council supports the public policy of making reasonable and appropriate accommodations for disabled persons and acknowledges that parking on public rights of way must be evaluated on a case by case basis considering the facts and circumstances affecting public safety and convenience unique to each case.

NOW, THEREFORE, BE IT HEREBY RESOLVED by the City Council hereby approves the request from the disabled resident at 212 Baldt Avenue to install a handicapped parking space in front of her residence, which handicapped parking space shall be generally available for the use of any persons deemed disabled pursuant to the provisions of Section 172-7 of the City Code.

PASSED this 11th day of October, 2016.
