

Resolution No. 2017-36

A Resolution Approving Excess Trash Pickup Fees.

WHEREAS, certain users of the City of New Castle’s trash disposal services consistently generate inordinately large amounts of garbage and refuse in excess of the four, thirty-five gallon container per pickup limitation set forth in Section 204-6 A (1) of the Code of the City of New Castle (the “Code”); and

WHEREAS, instead of requiring such excess users of garbage and refuse disposal services to arrange for private trash collection services, the City, on a discretionary case by case basis, is willing to pick up such excess garbage and refuse and treat each such pickup as a “special pickup” pursuant to Section 204-6 D of the Code provided it is compensated for providing such special pickup services; and

WHEREAS, Section 204-6 D provides that “fees or charges for such special pickup services shall be as established from time to time by resolution of City Council.”

NOW, THEREFORE, be it resolved by the Council of the Mayor and Council of New Castle, as follows:

RESOLVED that the City, in its discretion, may elect to pick up garbage and refuse from residential and commercial properties having an average pickup exceeding four, thirty-five gallons containers for each pickup. Such election may be revoked by the City at any time upon advance notice to the property owner or occupant.

BE IT FURTHER RESOLVED that Section A239-4 of the Appendix to the Code of the City of New Castle entitled “Fees” is hereby amended to add a new provision which shall state as follows:
