

**RESOLUTION No. 2019-36**

**A Resolution Eliminating Parking on both the Northeast and Southwest sides of Clayton Street within Five Feet of the Intersection with Pfrommer Street**

**WHEREAS**, the City of New Castle has been requested by the property owner operating a business at 308 Pfrommer St. to eliminate on-street parking on both the northeast and southwest sides of Clayton Street at its intersection with Pfrommer Street; and

**WHEREAS**, the property owner claims that without the restriction on parking at these locations, he does not have adequate room to safely turn his trucks into or out of Pfrommer St. to access his commercial property, and

**WHEREAS**, the City Council has evaluated this request and determined that restricting parking in these locations will benefit public safety without significant inconvenience to area residents and the public at large;

**NOW, THEREFORE, IT IS HEREBY RESOLVED** by the City Council of the City of New Castle that:

1. the northeast side of Clayton Street located within five (5) feet of both sides of its intersection with Pfrommer Street shall be deemed a no parking area;
2. the southwest side of Clayton Street located within five (5) feet of either side of the property line dividing 912 Clayton St. and 916 Clayton St. shall be deemed a no parking area; and
3. the City Administrator is directed to cause the curbing in the restricted areas to be painted yellow and/or to erect no parking signs at suitable locations in these areas as he deems appropriate.
