

PROCLAMATION

Remembering Veteran's Day in the City of New Castle

WHEREAS, Veteran's Day serves as a solemn reminder each year that throughout our great nations' history, men and women have unselfishly served to keep our country and its citizens safe, and to protect our rights and freedoms; and

WHEREAS, the families of those who have gone to war in service to our country, and especially of those who have perished, have also made great sacrifices; and

WHEREAS, Americans owe a deep debt of gratitude to the veterans and their families who have given so much in order to protect our nation so that we may continue to enjoy the liberties and blessings that have been bestowed upon us.

NOW, THEREFORE, I, Michael J. Quaranta, as Mayor of the City of New Castle, and on behalf of the City Council, urge all citizens of New Castle to pay tribute throughout the year to those who have served our country in the military, in giving thanks to all active and veteran members of our armed forces, and in praying for the safety of all the men and women who are currently protecting us around the world.
