New Castle City Police are Asking for your Help with a New Community Program

Studies have shown that teddy bears have a positive impact when given to children who are experiencing some type of trauma.

Many police departments throughout the United States have programs in which teddy bears are used to promote comfort to children in crisis. The New Castle City Police are requesting donations of teddy bears to be used in moments when children we deal with need special care.

We appreciate the support of our citizens and businesses. Donations of teddy bears will be accepted at the New Castle City Police Headquarters. Please email tina.shughart@cj.state.de.us with any questions.

Mark your calendars to "SHOP SMALL" on Saturday, November 30th! Come Out and Support our local businesses!
