The City Calendars are being mailed directly to residents. This year the cover of the City calendar features the Frenchtown Railway Ticket Booth in Battery Park. This beautiful photo was taken by Bruce Burk.

Please take time to read through the calendar, as it makes up the Annual Report for City government activities that occurred in 2020, and provides a preview for what residents can expect in 2021.

Inside the calendar you will find helpful information and reminders. On the calendar page for each month you will find any changes in the Public Works schedule, such as the trash and recycle schedule after a holiday. Look in the lower left corner to see the changes.

The Calendar also highlights the many annual events that take place in New Castle throughout the year. Check the February page to see the list of special events. All your favorite annual events have been added to the calendar, however due to the Covid situation they are all subject to change or cancellation. Check the City website and Facebook page for updates.

Code Enforcement helps to maintain and improve the quality of life of New Castle City residents by administering an unbiased enforcement program to correct violations of City zoning, property maintenance and building codes.

§ 94-4 Feeding of Wildlife
No person shall feed any wildlife in any public park.

According to the National Geographic Society, feeding wildlife is generally a bad idea. Food-seeking squirrels bite more people than any other animal in National Parks. Also, providing food for wildlife teaches those animals to associate humans with food. This can make them more likely to get hit by cars, or get into altercations with children or pets.
