WHEREAS, a resident at 613 W. Thirteenth Street, who is disabled under the definition provided in section 172-7 of the City Code has requested that the City install a handicapped parking space in front of their house; and

WHEREAS, a handicapped parking space will allow the disabled resident to enter their house through the front door utilizing the handrails, and will alleviate issues with a shared driveway facilitating access to their home more easily; and

NOW, THEREFORE, IT IS HEREBY RESOLVED, that the City Council approves the request from the disabled resident at 613 W. Thirteenth Street to install a handicapped parking space in front of said residence, which handicapped parking space shall be generally available for the use of any persons deemed disabled pursuant to the provisions of Section 172-7 of the City Code.
