## Code Enforcement Corner

**Code Enforcement** helps to maintain and improve the quality of life of New Castle City residents by administering an unbiased enforcement program to correct violations of City zoning, property maintenance and building codes. Complaint forms are available on the City website at [newcastlecity.delaware.gov](http://newcastlecity.delaware.gov), or in the City offices; or call the Code Officer at 221-6507.

Complaints are handled on a confidential basis.

**Fight the Bite!** We are in the height of mosquito season. According to DNREC, mosquito season can last through October, or until first frost. DNREC monitors areas in the City and fogs when necessary. You may have seen them in your neighborhood.

Remain vigilant in the fight against mosquitoes and mosquito borne disease by keeping your property free from standing water.

**You can help!** Check your property often; look for even the smallest amounts of standing water. Mosquito's can breed in the water in the saucers under potted plants, and in the water in a corrugated downspout pipe.
