**Acer campestre 'Panacek'**  
**Metro Gold® Maple**

**Zone:** 5b **Height:** 35' **Spread:** 20'

Shape: Upright narrow oval  
 Foliage: Dark green  
 Fall Color: Bright yellow

**INSECT RESISTANCE:** Japanese beetle

This upright, narrow oval cultivar has a tighter shape than Queen Elizabeth™ and is much narrower than seedling hedge maple. Selected by nurseryman Herman Panacek, it produces fewer seeds than typical and has an improved, bright yellow fall color. This is an excellent street tree selection from a species that has earned a reputation as a tough city tree.

Acer campestre 'Metro Gold' and 'Streetside'- "hedge maple".
