Public Notice

South Street, New Castle Railroad Crossing Maintenance

The Norfolk Southern Railway Company, with support from DeIDOT's Railroad Section, will be resurfacing and performing general maintenance at DOT Crossing No. 540884Y on South Street in New Castle. The Norfolk Southern Railway Company, and their Subcontractors, will replace the existing railroad crossing surface and repair damaged rails at the crossing.

The work will require a full closure of South Street at the Norfolk Southern railroad crossing with detours posted in the area. The northbound detour will direct traffic on South Street /Young Street onto West Seventh Street (SR9) to Washington Street to Delaware Street (SR273) to West Ninth Street back to South Street /Young Street. The southbound detour will direct traffic on South Street /Young Street onto West Ninth Street to Delaware Street (SR273) to Washington Street to West Seventh Street (SR9) back to South Street /Young Street. The current schedule (weather dependent) will close South Street beginning August 14, 2023 at 5:00 am. The road is expected to be open by August 18, 2023 at 5:00 pm. Some intermittent lane closures may occur after August 18, 2023 to perform the final work items.

If you need further assistance or additional information, please contact the Office of Community Relations at 1-800-652-5600 (in DE) or (302) 760-2080 or sent via email to dotpr@delaware.gov.
