

We are happy to announce the selection of Antonina Tantillo as our new City Administrator. Ms Tantillo comes to us from the Town of Townsend where she has served as Town Manager for 2 years. Prior to that, she was their Deputy Town Manager for 6 months and their Town Clerk for a year and a half.

Ms Tantillo has a Masters in Public Administration from the University of Delaware where she also earned her Bachelor's degree in public policy and political science. As part of her graduate studies, she was a local government management fellow in the towns of Milton and Fenwick Island. She also served as an urban policy fellow for the Wilmington City Council. In addition to this experience in local government, Ms. Tantillo also worked for various nonprofits such as Catholic Charities USA, In Trust Center for Theological Studies, and The Center for Community Research and Service.

Originally from New York, Ms Tantillo also grew up in Kent County Delaware.

The Council is confident that, with her education and experience, Ms Tantillo is a good fit for New Castle. She will begin her work with us on March 25.
