

UNACCOMPANIED MINOR

FILMING NOTICE

Exciting news, we're filming a movie in NEW CASTLE!

Armory Films is producing a new independent feature film currently entitled, *Unaccompanied Minor*, which tells the story of two strangers who find themselves unexpectedly paired on a road trip adventure along the east coast. We'll be filming throughout Delaware this September / October, and look forward to sharing this beautiful state with our future audiences!

What to expect:

TUES, SEPTEMBER 15th + WED, SEPTEMBER 16th

Prep work begins! You'll notice "No Parking" signs going up throughout town, as well as equipment landing and sets being dressed.

*****Please note, there will be a FAKE TRAFFIC LIGHT installed at the intersection of Delaware & 5th Streets. It will be shut off when not actively being filmed, so please obey the stop signs as usual. The light will only be there Thursday afternoon through Friday evening.***

THURS, SEPTEMBER 17th + FRI, SEPTEMBER 18th

FILMING BEGINS!! Our primary work zone for Thursday 9/17 will be the center of town between 3rd and 2nd Streets on Delaware Street, while on Friday 9/18 we'll be working in that same zone, as well as the intersection of Delaware & 5th St, and inside the Read House.

*****Please note, there will be STREET CLOSURES and Intermittent Traffic Control implemented in our work zones roughly between the hours of 7a-7p on both filming days. See the breakdown of impacted areas on the reverse side.***

Please be assured we will NOT block any driveways with our equipment, or restrict public access to any homes / businesses within our work zone.

*****OF NOTE: Recycling in the impacted filming areas will be picked up first thing Thursday morning, expected to be completed by 8am*****

We respectfully request that residents and visitors assist our efforts by utilizing public parking lots or off-street driveways wherever possible. We know the streets are narrow and parking is tight across town, so we'll do our very best to reduce our footprint whenever possible. Our production is working in collaboration with all state and local authorities, including New Castle City Admin / Police to minimize any inconveniences this work may cause. If any particular needs or concerns may arise as a result of our presence in your community, please do not hesitate to contact our Location Department representative below.

Thanks in advance for your cooperation, and for supporting the Delaware film industry!

Sincerely,

JOSHUA JENKS
